# Why Do People Go to a Jewish Synagogue?

People go to the synagogue to worship but also to study. Many synagogues are also community centres where local Jewish people can meet and take part in different activities and events..

A synagogue is a house of prayer where Jewish people can get together to feel closer to God, and each other.

The services are led by a rabbi or a worshipper.

# Showing Respect

- During the service everyone, except women who aren't married, must wear a hat to show respect to God; this is called a kippah.
- Adult men wear a prayer shawl for morning prayer which has fringes along the edge to remind the worshipper to follow God's way.
- Men and women sit separately in the synagogue.
- Once the Ark is open, nobody must enter or leave the room as a sign of respect.
