

Nouns Ending in the Suffix -ation

This week, we are going to look again at adding the suffix **-ation** to verb root words to create nouns.

Can you remember the rules about adding **-ation**?

If the root word doesn't end in '**e**', then no change is needed when **-ation** is added,

e.g. inform + ation = information

If the root word ends in '**e**' (but not 'ate'), then drop the '**e**' when **-ation** is added,

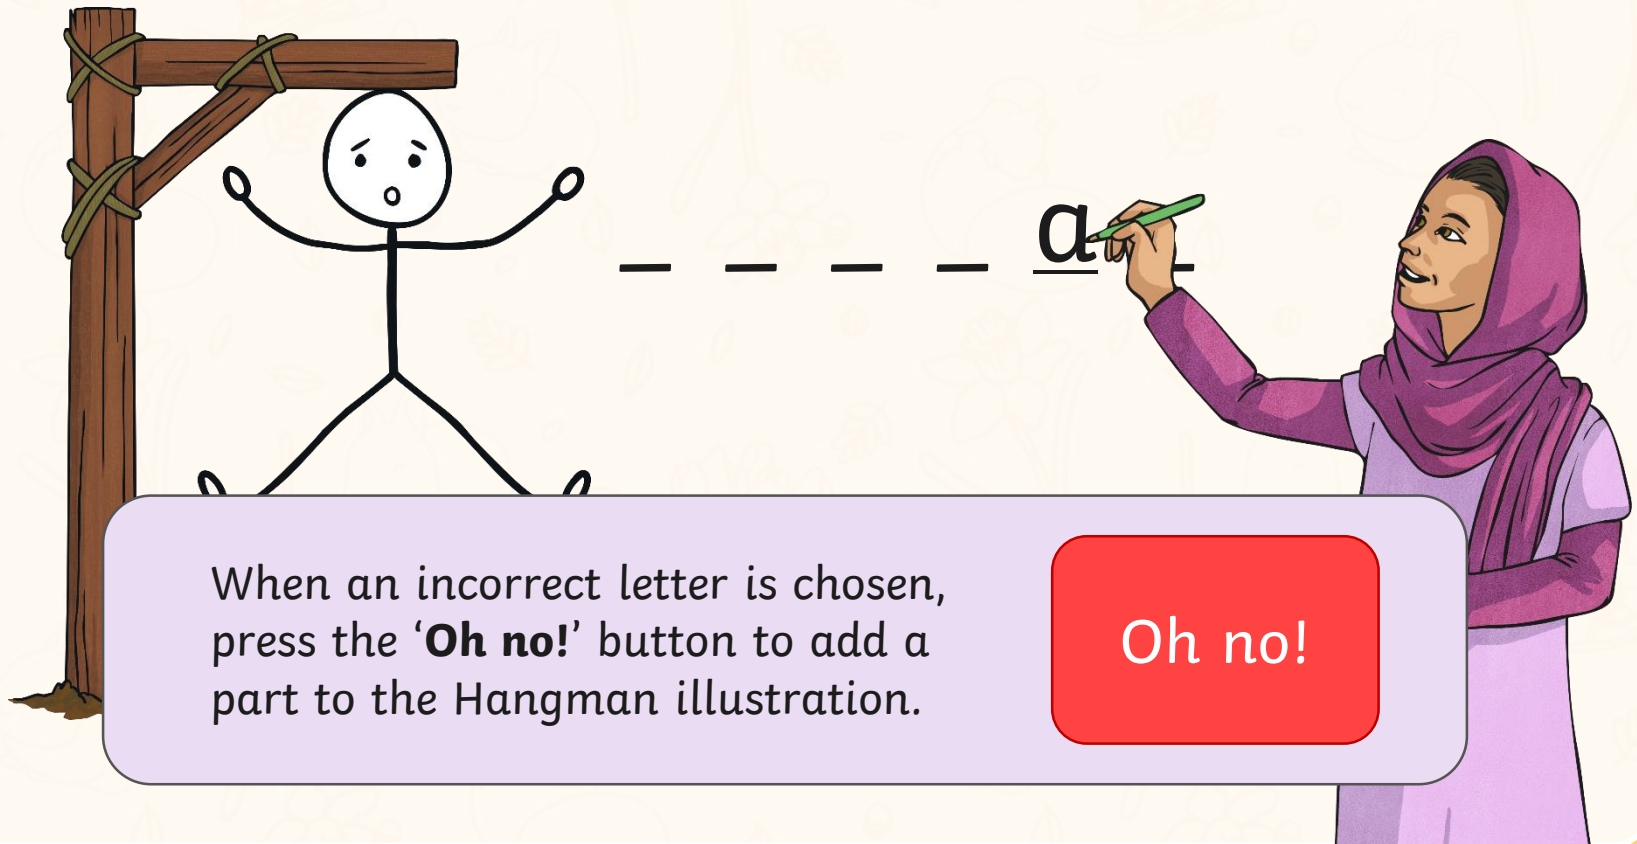

e.g. imagine + ation = imagination.

If the root word ends in '**ate**', then drop the '**ate**' when **-ation** is added,

e.g. educate + ation = education.

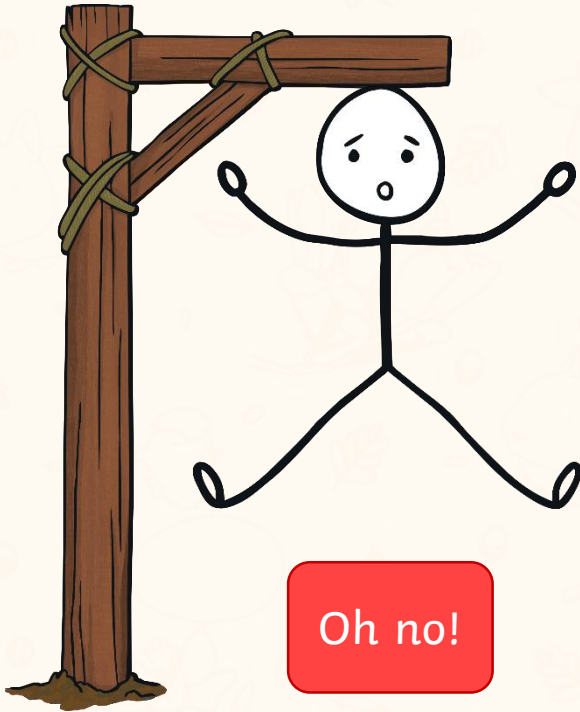

We are going to play Suffix Hangman – can you and your partner guess the letters within the **-ation** suffix word before it's too late?

Don't forget the rules about adding the suffix **-ation**.

When an incorrect letter is chosen, press the '**Oh no!**' button to add a part to the Hangman illustration.
