

Haunted Towers

Are you bored and fed up of visiting the same mind-numbing places? Then head straight towards Haunted Towers theme park this summer, where you are guaranteed the time of your life.

Haunted Towers, the enchanted village, is a majestic 5-star adventure park situated in Stoke on Trent (a place renowned for the craftsmanship of its world-famous potteries) which has captured the world's imagination as it is more than just a theme park, it's an entire universe of action and thrills.

Firstly, from the moment you arrive, you will be screaming at the top of your roaring voice because the rides are so thrilling! Twist, spin, flip, twirl and zoom around ferocious tracks and insanely high loops until the sun goes down. Experience the feeling of flying on the smoothest ride in the world, Air. This stunning coaster twirls you around and simulates the flight of a bird drifting through the sky. Alternatively, you can always stretch your face due to the g-forces of Rita (Queen of Speed)! If power, speed and energy are your thing then this is the ride for you! Hurtle down a twisting and turning track at over 100 miles per hour whilst your heart pounds and you hold on to your eyeballs!

If extreme is not your thing, then you can always relax by having a delicious bite to eat or quench your thirst in one of our many fabulous cafeterias. In these areas, unwind with a warming coffee or cup of aromatic tea, or taste our delicious, gourmet meals. You will find that these are all great value for money whilst being extremely nutritious for all the family. Once you have filled your belly, you can always visit our tranquil spar and receive a comforting, soothing massage or take a dip in our indoor, heated pool.

Whilst the crazy adults fly around on terrifying rides, there are plenty for the young children to enjoy. Located deep in the heart of the theme park, is the magical world of CBeebies land. This interactive new land is the only place where you can meet, join in, and play with all of your favourite CBeebies characters. With free entry for all children under four and fantastic deals when you buy your tickets in advance, there's no better time to plan your trip than now. For example, you can wake up the sleeping bugs in the CBeebies bedroom and Get Set Go on this fun ride offering plenty of imaginative play. Travel high through the tree tops in your own vehicle and take in a tip-top view of CBeebies Land.

Overall, Haunted Towers is the number one choice for the entire family. There are thousands of options for you to choose from, including hair raising roller coasters, relaxing cafes and children's entertainment.
