

Lesson 2

LO: I can cut out a cube net and print to decorate.

Print out the cube net worksheet or draw your own copying this design.

It would help if you find something square to draw around to ensure all faces of the cube are the same.

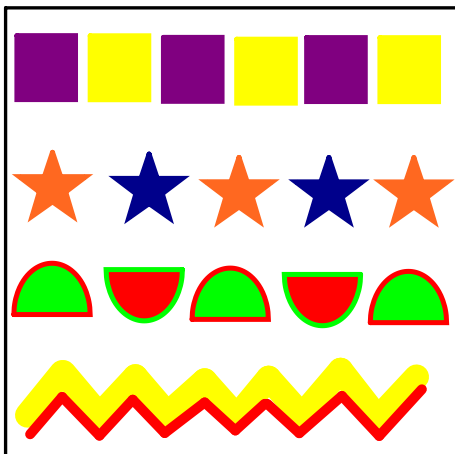

Don't forget to add flaps for assembling the cube.

Bigger is better!

Print designs...

What are you going to use?

Paints	Felt tips	Stamps	Crayon	Glue
Fingers	Potatoes	Carrots	Shapes	Stickers

Tip... Choose a pattern and stick to it, here's a few easy suggestions

*Cut out your cube net and
decorate.*

Leave to dry.
